RE: 2025 March event new team registration process

Frequently asked questions

My team has never been on the event, what do I have to do?

An expression of interest to attend the 2025 event opens on Thursday 15th August 2024, 8am until the 22nd August, 5pm (Adelaide time). For ANY team wanting to participate in the March 2025 event. Available on the website.

Does my whole team have to register an expression of interest?

No, just the team representative (may or may not be the captain of the team at a later stage)

What information do you want to know when I register my teams interest, and why?

We want to capture as much information as possible, as early as possible.

At this stage, we just need to know what you're thinking.

We will be asking the following:

- Nominate the number of team members anticipated, including children
- Number of vehicles and trailers
- Camping arrangements (tents, swags, quick shades, camper trailers, etc)
- Acknowledge that vehicles and trailers cannot be parked in the sleeping area, unless specified by the committee.
- Acknowledgement that the event is capped at 400 people, and this may affect the numbers eligible to attend in each team.

What happens after I register my interest?

Once previously registered teams have completed their registration, a live ballot draw (on facebook) will be held to draw new teams for the remaining available positions for 2025.
