

Ski for Life

RAISING AWARENESS AND PROMOTING MENTAL HEALTH, WELLBEING AND SUICIDE PREVENTION

Dear Captains

RE: 2025 March event registration process Overview.

Welcome to the first communication for the Ski for Life water skiing relay, March 2025 event.

As everyone will have noticed, the 2024 event was the largest Ski for Life has held and presented many learning opportunities, which the committee has taken on board. The committee has had lengthy discussions on how to best keep the event manageable, accessible and most importantly, safe for 2025.

We appreciate the time, commitment and effort everyone puts in year on year, and this has been the main focus in determining the registration process for 2025.

The 2025 event will be capped at 400 people in total to ensure accommodation and catering can be appropriately managed. The total number of boats cannot exceed 40, including the chase boat.

Expression of Interest

An expression of interest to attend the 2025 event opens on Thursday 15th August 2024, 8am Adelaide Time. A team representative OR captain will register an expression of interest on behalf of their team.

When submitting their expression of interest, captains will be asked the following:

- Are they a new or existing team?
- Nominate the number of team members anticipated, including children
- Number of vehicles and trailers
- Camping arrangements (tents, swags, quick shades, camper trailers, etc)
- Acknowledge that vehicles and trailers cannot be parked in the sleeping area, unless specified by the committee
- Acknowledgement that the event is capped at 400 people, and this may affect the numbers eligible to attend in each team.

With a history of over 40 previously registered teams, Captains will be notified in the order that their expression of interest was electronically received on by the 24th August - 25th August

Registration

Every team will be required to pay a \$1500 non-refundable deposit upon registration, that will go towards registration fees for the team. (Registrations fees available soon). Captains will be asked to submit their official registration on Sunday 1st September and make payment of their deposit.

Ski for Life

RAISING AWARENESS AND PROMOTING MENTAL HEALTH, WELLBEING AND SUICIDE PREVENTION

2nd September - 15th September 5pm - team members register and will need to pay their registration fee. It is important to note that because the event is capped at 400 people, all of your team members need to have registered by the 15th to enable new teams to register for the event.

Once previous registered teams have completed their registration, a live ballot draw will be held to draw the remaining available positions for previously unregistered teams for 2025.

While we would like to include everyone, every year, it is becoming more difficult to facilitate. We hope that everyone will understand our efforts to try to accommodate all previous teams as well as making our iconic event accessible to the wider community.

If you have any questions, please do not hesitate to make contact via info@skiforlife.com.au or 0488 849 414

Kind regards,

Mark Facy
Chair
Ski for Life incorporated
